Radiant Rose Academy - Clarion Calls for the New Earth

Welcome, Dear Radiant Rose Heart Family! The following Clarion Calls (Decrees) are ready to come alive within your own Heart's Flame as we join in collectively offering our voices to these powerful intentions of Purifying, Healing, Illuminating, Protecting, and Raising the people and the Planet Earth.

Here are some helpful tips:

- **If there is an emergency**, such as an accident, storm, global conference, threat to peace in an area, etc. simply adapt one of these Decrees. Many of us around the world receive the same inner promptings and are responding simultaneously.
- **Prepare in advance**, if possible. Print these Decrees or save them onto your computer or phone screen. There are interesting excerpts at the end, (which account for extra pages).

Ascended Masters' Instructions

Beloved Princess Mary Magdalene: Extracts from Princess Mary Magdalene's discourse in Christmas with the Masters: December 2013 – Introducing the All Christ Sacred Fire Flame. Mary Magdalene introduces Her new area of service, commanding Emanuel's new All Christ Sacred Fire Flame for us to use in the Planetary and Clarion Calls.

“There are many ways that the Master appears, and you might consider that these spears of Golden Flames, His Flame, My Master's Flame is Blue. His color, the Ray, the Flame that He serves is the Gold. Precious hearts, none of you will have reason, but if you did have reason, have the spear of the Golden Flame standing before you, let me say, it would be the same as if the Master was standing before you, and if the Master stands before an individual and makes the individual see what they have done, how they have wronged the people, the Earth, and if the individual does not repent through regret and sorrow, this is where the mystery of everyone's life will move into action, and that one's days will be short, for that one, whether they realize it or not, having been visited by the spear of the All Christ Flame, is the same as the Master Jesus standing before a wicked individual and saying let me show you what you have done. The heart can only go one of two ways. If the heart has been so hardened it will be obvious the direction the individual will go, but if the heart can see the wrongdoing of the outer self and there is sorrow and regret, the Golden Spear will open and the Electric Blue

Flame shall rush across the floor and rise up around the individual and remove all that caused them to do such wrong. And then as It re-groups back into Itself as a spear of Golden Flames, the Master's face will appear and say to that one: *you have chosen well, go in peace.*"
